Student Attendance Policy

The Distance Learning school experience currently in use presently for Great Oaks students has the same attendance requirements as if your child was coming to the Community Education Building for school in the sense that students are required to attend classes, in order to be marked present. Perfect attendance is the expectation and the goal.

High School Attendance

High School students are marked present only if the student is present in the live session in at least <u>three classes</u> that day. If a student fails to either log in and attend live sessions for two or more classes, the student will be marked absent for the day.

Middle School Attendance

Middle School students are marked present only if the student is present in the live session for <u>both classes</u> that day. If a student fails to either log in and attend live sessions for both classes, the student will be marked absent for the day.

If your **middle school student** will be absent with an excuse, you must provide an email to Mr. Hernandez, <u>rhernandez@greatoakswilm.org</u>. If your **high school student** will be absent with an excuse, you must provide an email to Ms. Joshua, <u>njoshua@greatoakswilm.org</u>. Formal documentation from a doctor's office, courthouse, or other official that details the date of absence, reason for the absence, time of the appointment, and signature of the health care professional, or other official should be attached to the email to explain the absence. Absences for any other reason shall be considered unexcused. All absences are considered unexcused until Great Oaks receives documentation. Guardian and students are to submit a written explanation of the reason(s) for an absence within 3 calendar days of the absence. If Great Oaks does not receive proper documentation within 3 days, the absence is permanently counted as unexcused absence.

The State of Delaware imposes mandatory school attendance requirements for all public school students. When a student accumulates excessive unexcused absences, the School must refer it for prosecution and subsequent intervention by the Department of Services for Children, Youth and their Families. Please see the Family Handbook for additional information regarding school attendance.

Student Grading Policy

There will be no Pass/Fails for the 2020-21 school year.

High School Grading Scale

Accessibility to Support

Special Education Support Services

Great Oaks Wilmington continues to provide special education supports and services for all eligible students. In order to assist with social emotional learning and activities identified as related services, we have developed schedules to provide teletherapy. You will receive a consent for teletherapy services as well as a calendar invitation for all Related Services. All of our Special Education Teachers are present in academic classes and running small group support to meet IEP minutes. The goal of the Great Oaks Charter School Special Education Department is to answer questions and resolve concerns as quickly as possible. Please contact your child's special education teacher as a first point of contact. If your concerns are not resolved, be sure to contact Ms. Gillis at kgillis@greatoakswilm.org or 302-268-3154.

Tutoring and Fellow Support

Every student in grades 6-8 will be offered live daily tutoring services from our AmeriCorps Fellows. Your student's tutors will provide your student with a log in time and link. At the time of tutorial, your student can click the link and join the tutorial. Monday through Thursday tutorial support will focus on the completion of classwork assignments and review of other classroom content. On Fridays, your student will have a check in with their tutor in the morning to review their progress on weekly classwork assignments. This time will be used to help coach your student on time management and goal setting. It will also be a space for them to ask any questions that they have pertaining to office hours or online learning in general. Your student's ELA & Math tutors are resources to you during this time. You can expect them to reach out to you if they notice your student is not present in tutorial or class. The purpose of this call is to make sure your student has everything they need to attend class, and to help them catch up on anything they missed. If you need support from Great Oaks, your student's tutors will help you get connected with resources when available.

If you have any questions regarding tutorial, please reach out to Mrs. Larkin at <u>klarkin@greatoakswilm.org</u>.
