

Student & Family Safety Contract

This School Success and Safety Agreement is being made between _____
(guardian name) and Great Oaks Charter School. This Agreement will become effective on
_____ (insert today's date).

IN CONSIDERATION OF Student Safety and Family Communication:

1. School Entry

Students' families must sign in at the lobby before arriving to the school floor. Great Oaks will only honor scheduled meetings. Families will not be able to come to the school floor without a previously scheduled meeting.

2. Staff/Family Interaction

Parents and Families are students' primary educators. We value parent input and student safety. I will treat teachers, office staff and students in a dignified and professional manner. Misconduct in the school will not be tolerated, and disorderly family members will be dismissed from the building. Disorderly conduct can result in families being banned from the building or charges filed with the Wilmington Police Department.

3. Student Conflicts

I will ensure that my child will not participate in the continuation of outside conflicts. We will not engage with other students involved in the previous conflict verbally, physically, or on social media. I understand that if my child engages in a conflict, he/she will receive consequences according to the student code of conduct.
